***Funds received will be used to build temple infrastructure that includes land development, acquiring deities from India, building deity Garbhshalayas and Wallmount / Stand alone stations, basement, etc.*

****Based on preliminary estimates only. These amounts are subject to change after actual engineering plans are completed and upon receiving the bids. Revised form will be published after the actual numbers are available.*

Notes:

- All donations will explicitly be used for the Temple expansion project (planning, construction and maintenance of new and current infrastructures).
- It is the HTGS management's commitment to allocate your total donation contributions as follows:
 - 80% will be used towards building actual infrastructure of the temple, acquiring Devathas and ancillary items
 - 20% will be kept aside as reserve for future operational expenses for the temple property
- HTGS Board of Trustees is committed to utilize your funds as per your wish; however, it reserves rights to utilize funds in underfunded areas of the temple expansion project.
- Donors will be recognized based on their amount of contribution, as per the HTGS Recognition Policy.
